Students can fly to Faro International Airport or Lisbon International Airport. Faro is the closest to the school at approximately 50 km away and Lisbon is approximately 250 km north of the school. Transfers can be arranged from either airport.

Faro International Airport (FAO) has a modern and functional infrastructure and provides high quality services for the Algarve and the Spanish province of Huelva. Just 4 km from Faro city, in the middle of a stretch of coastline extending from Cabo de São Vicente to the Doñana Natural Park in Huelva, the airport supports a vast number of airlines and tour operators.

Lisbon International Airport (LIS) is 7 km from the city centre and is used by 15.3 million passengers annually. It is served by good public transport: metro, coaches, buses and taxis.

open your mind”

English Classes

The Summer School offers an individualised intensive English Language course. A personalised approach allows students to rapidly develop advanced language skills under the tuition of qualified English teachers. Intensive morning tuition sessions are followed by summer-themed afternoon activities to encourage students to put their learning into practice.

As well as 20 English Language classes per week, the programme delivers English Language lessons in topics including History and The Arts. Language topics are chosen to encourage lively discussions in class with the emphasis on improved listening and speaking skills. Lessons are active and engaging, including drama and role play tasks.

Course Details

- 20 English lessons per week
- Active, immersive English Language tuition in small classes
- Qualified, globally sourced professional English Language teachers from the internationally respected Nobel International School Algarve
- Living with students from all over the world in a secure boarding house environment on the beautiful Algarve coast
- Encourages independence, cultural awareness and the beginning of lifelong friendships
- Formal certificate at completion of course

“Every new friend is a new adventure... the start of more memories”

Student Welfare

Accommodation

Students will stay at the Nobel Algarve boarding house in dedicated double rooms with ensuite bathrooms and separate wings for boys and girls. The boarding house also offers a shared study area, games room and wifi.

Qualified, caring staff are available to students 24 hours a day.

Wellbeing

The safety and wellbeing of the students is of the utmost importance to staff who are there 24 hours per day to assist with health care and other needs.

Healthy Eating

A nutritionally balanced breakfast, lunch, dinner and two snacks are included for all students with packed lunches provided for day trips. Special dietary requirements can be accommodated upon request.

The Nobel Algarve Campus

The school stands in extensive grounds in the countryside on the Algarve coast, with classrooms, science laboratories, art and design technology studios, dedicated music spaces, dining halls, common areas, libraries and ICT suites.

Sporting facilities include an inline speed skating rink, 7-a-side and 5-a-side football fields, volleyball, basketball and tennis courts, a cross-country track, dedicated gym and a karate dojo.
